Based on the acceptance received from this first round offers of admission, the respective waitlists will be activated for each of the Scientific Group Leaders / laboratories as per the waitlist order indicated, for dispatch of the offer letters in the second and subsequent rounds.

It is possible that a candidate selected for one laboratory has been waitlisted for one or more laboratory / laboratories, or that a candidate has been waitlisted for more than one laboratory. In all such cases, if the candidate's name is activated on the waitlist of a particular laboratory (because other candidates above him / her have not joined), the Centre would invariably contact the candidate and offer the option to join that laboratory, irrespective of what the candidate may have chosen (to join or not to join another laboratory) in earlier round of offer. It is reiterated that the candidates are at perfect liberty to exercise their fresh choice and even change their laboratory whenever a fresh offer is made to them in a subsequent round, should they wish to do so.

The offer of Junior Research Fellowship will be subject to candidates furnishing valid documentary evidence of having successfully passed the qualifying degree examination (M.Sc./M.Tech./M.B.B.S., etc.) and of having successfully qualified for fellowship from CSIR/UGC/DBT/ICMR/INSPIRE/BINC/UGC-RGNF (or equivalent) etc.
